LSI CONSULTING NOW OFFERING A FULL SUITE OF WEB-BASED LABOR MANAGEMENT SOFTWARE FOR ITS RETAIL CLIENTS

--One Company.....A Total Retail Workforce Management Solution--

New York, NY (January 15, 2007) Labor Solutions International, Inc. (LSI Consulting), a global leader in retail workforce management consulting and engineering services, announces that it will now offer a full suite of web-based labor management software to complement its comprehensive set of existing consulting and engineering services.

This labor management software is developed by LSI's parent company, WorkPlace Systems International, and includes Time & Attendance, Labor Forecasting, Labor Scheduling, Corporate Budgeting, Productivity and Performance Management, along with other workforce management solutions.

In addition, WorkPlace is developing a Store Execution / Task Management module which will be launched in 2007.

“We are very excited to offer this full suite of leading-edge software to our current set of retail workforce management solutions”, said Bob Haworth, LSI Consulting’s CEO. “LSI is a recognized leader in achieving labor productivity, customer service improvements and workforce efficiency for our retail clients through our strategic, operational and tactical consulting services and solutions. The addition of this new labor management software makes LSI a truly one-stop-shop for the retailer wanting workforce management solutions”.

LSI Consulting, founded in 1997, was acquired by WorkPlace in 2005 and is a wholly-owned subsidiary of WorkPlace Systems International, plc. Today, LSI is recognized as a leading consulting and engineering firm specializing in retail workforce management. LSI Consulting offers its clients a full suite of independent consulting services focused on improving customer service, store labor productivity and workforce efficiency. Some of its services include: Strategic Labor Model Improvement, Store Operations Improvement Program, Engineered Labor Standards Development, Customer Service Standards & Analysis, Store Process Improvement & Best Practice Development and Workforce Management Effectiveness Training.

LSI’s clients are some of the premier retailers in the U.S. and internationally, and include: The Home Depot, Kroger, Toys “R” Us, The Wet Seal, PETCO, ShopKo, Cabela’s, Albertson’s, Lowe’s Home Improvement Warehouse, Winn-Dixie, Raley’s, PETSMART, Shoprite (South Africa), Babies “R” Us, Wickes (UK), and Fred Meyer.
